

Dear Potential ALWCA Member,

We are aware that students may find that membership dues are financially out of reach. The National WCA offers subsidized memberships to qualifying students. If approved the national dues can be reduced bringing the cost of yearly membership to \$40 (regular membership dues are \$65). To receive the subsidy you must email: membership@nationalwca.org and provide a description of your financial hardship. Students must also submit official proof of full-time status by mail.

Here is a sample letter that you may customize to request your subsidy. **Email a copy to alabamawca@gmail.com for accounting and administrative purposes.**

Dear National Women's Caucus for Art Membership Committee:
